Upgrade to the **MESI ABI System** and get a **\$500 Account Credit!**

Transform Your Practice with Cutting-Edge Technology

We are excited to announce an exclusive offer to upgrade your current ABI equipment to the state-of-the-art MESI ABI System.

For a limited time, upon purchasing the MESI ABI System, you will receive a \$500 credit to your account which can be used towards consumables or any other equipment of your choice.

Why Upgrade to MESI ABI Systems?

Enhanced Diagnostic Accuracy:

MESI modules provide precise and reliable diagnostic results, ensuring better patient outcomes.

Time Efficiency:

Streamline your workflow with faster and more efficient diagnostic processes, allowing you to focus more on patient care.

Comprehensive Solutions:

From ABI and ECG to Spirometry, MESI offers a range of modules that cater to various diagnostic needs, all integrated into a single, user-friendly system.

Future-Proof Your Practice:

Stay ahead with the latest technology that adapts to the evolving needs of healthcare.

Don't Miss Out!

Upgrade today and experience the **MESI difference!**

SPECIAL PRICING ON STETHOSCOPES

Great savings on 3M Littmann Stethoscopes

3M™ Littmann® CORE Digital Stethoscopes

The 3M™ Littmann® CORE Digital Stethoscope is designed with an outstanding acoustic performance, providing up to 40x amplification for effective heart sound detection in giving accurate diagnostics to adult and paediatric patients.

The active noise cancellation feature reduces unwanted background sounds while ensuring that the heart and lung sounds of the patient are specified well. Its connectivity to the Eko software enables the waveforms of heart sound to be visualised and shared without hitches, making it useful in clinical practice.

EBOS Code	Description	EACH
10008800	3M™ LITTMANN® CORE DIGITAL STETHOSCOPE BLACK 27 INCH	\$492.20

3M™ Littmann® Classic II Paediatric Stethoscope

The 3M™ Littmann® Classic II Paediatric stethoscope is a model that has a two sided chestpiece with the traditional bell and diaphragm and is designed and sized to provide Littmann quality acoustics for the paediatric population.

EBOS Code	Description	EACH
10021105	3M™ LITTMANN® CLASSIC II INFANT STETHOSCOPE BLACK 27 INCH	\$145.01
10021106	3M™ LITTMANN® CLASSIC II PAEDIATRIC STETHOSCOPE - CARIBBEAN BLUE	\$145.01

3M™ Littmann® Cardiology IV Stethoscope

The 3M™ Littmann® Cardiology IV™ Stethoscope offers improved acoustic performance with better audibility of high-frequency sounds (adult side, firm pressure).

EBOS Code	Description	EACH
10020995	3M™ LITTMANN® CARDIOLOGY IV STETHOSCOPE HUNTER GREEN	\$243.05

3M™ Littmann® Master Cardiology Stethoscope

The 3M™ Littmann® Master Cardiology™ Stethoscope offers an outstanding acoustic, comfort and quality at the highest level of any Littmann® mechanical stethoscope.

Its tunable diaphragm provides superior acoustics, partially due to the single piece construction of the chest piece.

3M™ Littmann® Master Cardiology™ Stethoscope also has dual lumen tubing with a tunable diaphragm and a precision, ergonomically designed, stainless steel chestpiece.

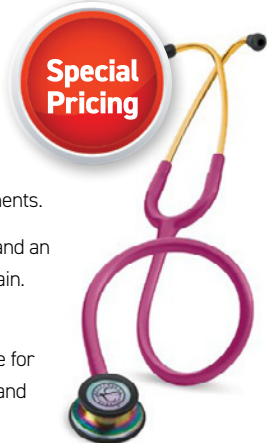

EBOS Code	Description	EACH
10021116	3M™ LITTMANN® MASTER CARDIOLOGY STETHOSCOPE - PLUM	\$284.65

3M™ Littmann® Classic III™ Stethoscope

The 3M™ Littmann® Classic III™ Stethoscope offers high acoustic sensitivity for exceptional performance when conducting physical assessments.

This product features dual tunable diaphragms and an updated design that is easier to clean and maintain.

The 3M™ Littmann® Classic III™ Stethoscope is used by students and medical professionals alike for the purpose of auscultation, patient monitoring, and diagnosis.

EBOS Code	Description	EACH
10020990	3M™ LITTMANN® CLASSIC III™ STETHOSCOPE, BURGUNDY/BLACK	\$153.75
10020987	3M™ LITTMANN® CLASSIC III™ STETHOSCOPE BLACK/CHAMPAGNE	\$159.61

3M™ Littmann® Stethoscope Identification Tag Grey

3M™ Littmann® Stethoscope Identification Tag in grey is an I.D. tag which allows for easier identification of stethoscopes, which fits all model sizes. The kit includes a one write-on and one engravable name plate.
