

Dermalux

SOFT TOWEL LOTION

A Superior Bed Bathing System for Aged Care & Home Care Services.

Insist on Whiteley Corporation when ordering your Aged Care products

Dermalux Soft Towel Lotion is a mild, natural, organic lotion for cleansing skin. Developed and manufactured in Australia, Dermalux Soft Towel Lotion has effectively been used in Hospitals since the mid 1980's as a preferred bed bathing method.

Dermalux Soft Towel Lotion cleanses and refreshes skin whilst maintaining skin integrity, without dryness or irritation. The natural ingredients used in Dermalux Soft Towel Lotion nourish the natural constituents of the epidermis and balances the skin's pH. Dermalux Soft Towel Lotion is a naturally saponified lotion designed for Aged Care residents and Home Care Services. A key feature of Dermalux Soft Towel Lotion is its rapid evaporation which enhances the action of the specially selected emollients to improve skin integrity.

Insist on Whiteley Corporation products for your Aged Care facility needs
